

POLYOLEFIN COLOR MASTERBATCHES

COLOR PRODUCTS

Whether you need dazzling color for a consumer item or simple color coding for an industrial device, RTP Company is your best choice for quality masterbatch colors used in polyolefin products. Each Polyolefin Color Masterbatch formulation has been optimized in polyolefin products to make processing as effortless as possible, whether molding or extrusion is used. RTP Company's Polyolefin Color Masterbatches deliver consistent color and quality from lot to lot at an affordable price. Additionally, these standard colors speed product development with quick sampling, and are available globally to simplify manufacturing in multiple or distant locations.
